

METALPRES DONATI

ESG STRATEGY

METALPRES DONATI

01/03/2024

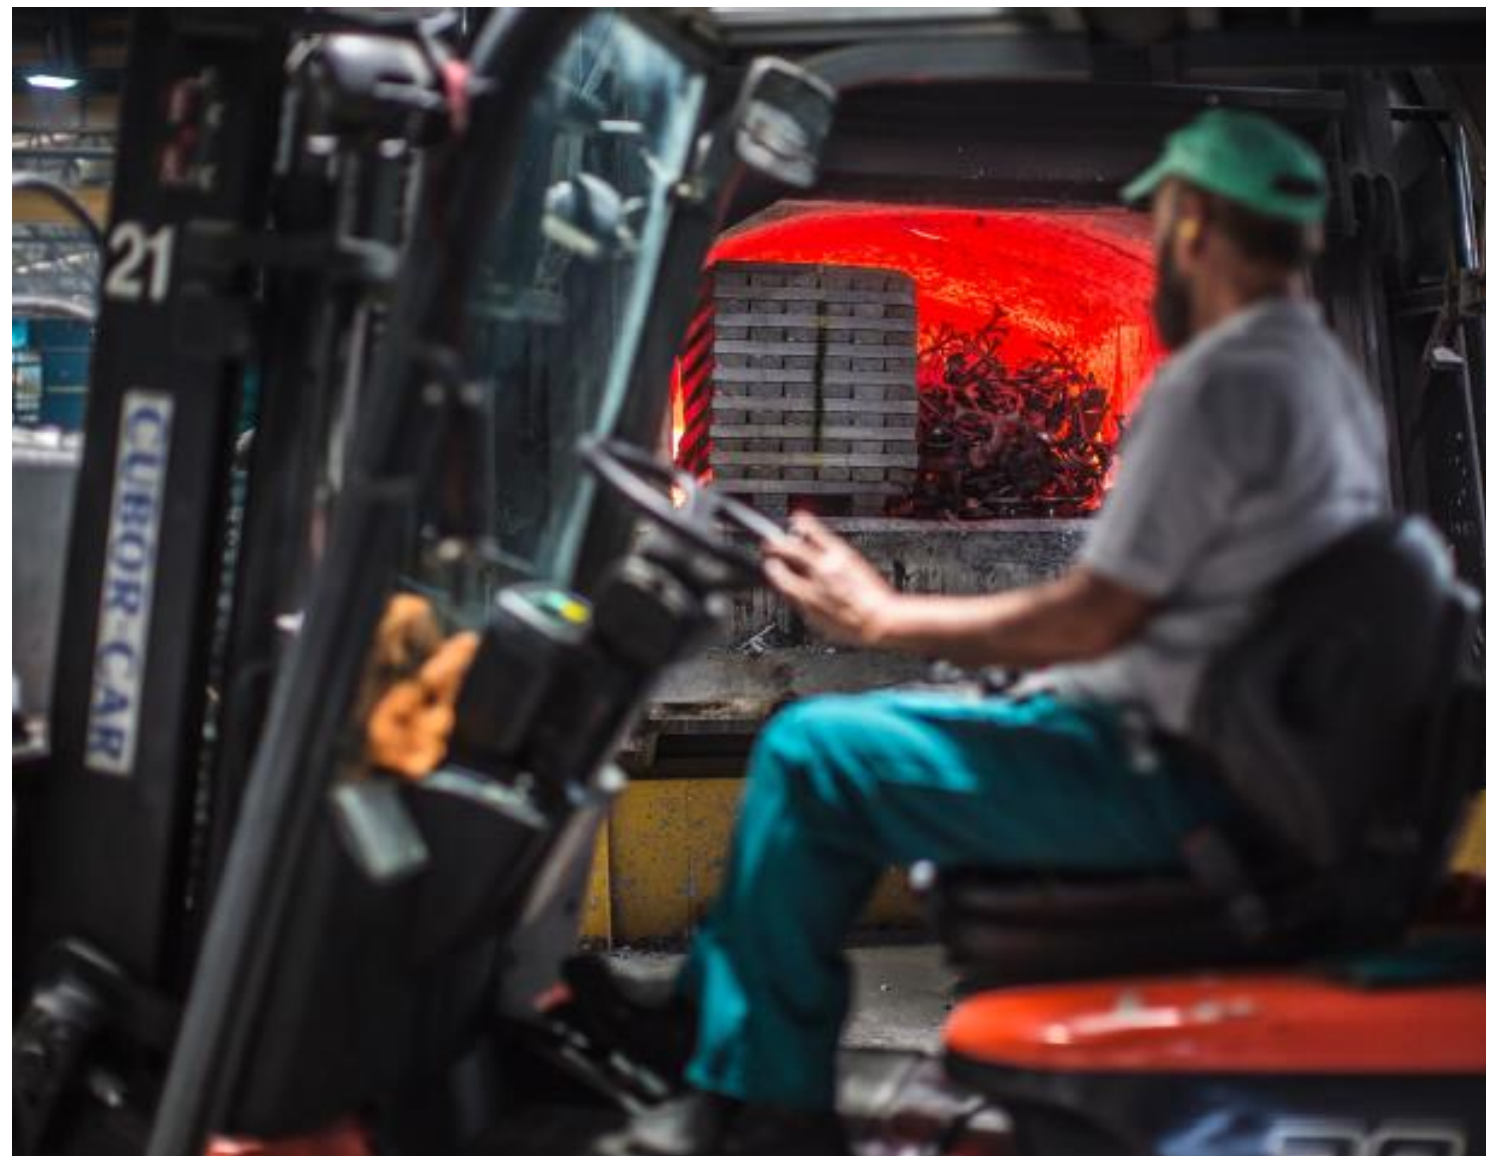

METALPRES DONATI

| PURPOSE

At Metalpres Donati Spa, we use components to build people and safeguard the environment for the prosperity of future generations.

METALPRES DONATI

| SOCIAL COMMITMENT

We create a welcoming company.

We celebrate excellence and innovation.

We promote involvement, communication and passion.

We value positive impact, similar to a caring father for his children.

METALPRES DONATI

SAFE FAMILY BUSINESS

METALPRES DONATI

ESG COMMITMENT

CLIMATE MITIGATION

We promote the use of secondary aluminum, we reduce energy production, we recover from waste. We increase the use of renewable sources for sustainable management.

CLIMATE ADAPTATION

CO₂ reduction, Carbon Neutrality by 2050.
We work with suppliers to achieve the objectives of the European Green Deal on the environment.

METALPRES DONATI

ESG COMMITMENT

BIODIVERSITY

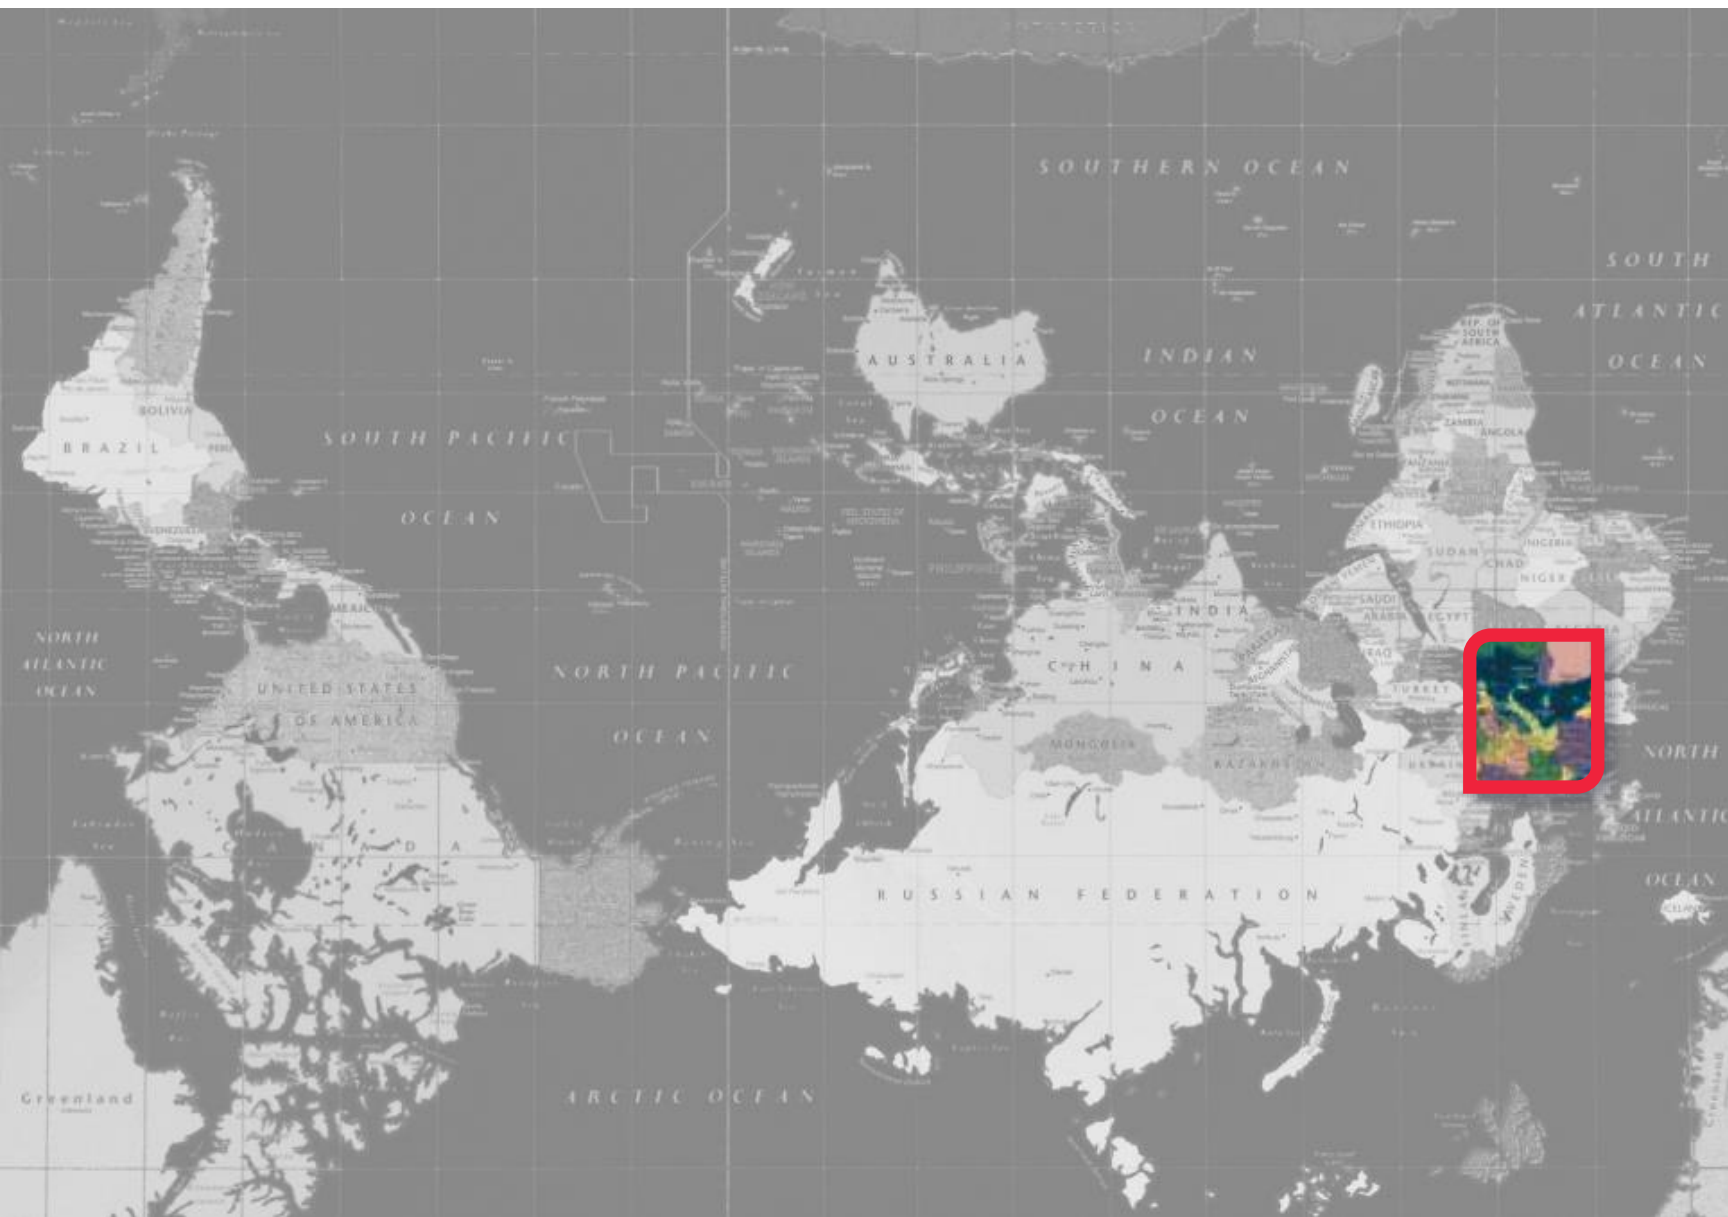

High efficiency in systems filtration for water waste

CIRCULARITY

Integrated circular practices, zero recyclable waste in landfill by 2030

SUSTAINABLE USE OF WATER

Making systems more efficient to reduce the use of water in the production process
